

Spring 2012 ARTS Course Offerings - Across Departments

Arts (3 hrs) The Arts requirement features courses in which students become intellectually engaged with the arts. They consider the significance and communicative functions of the arts in human experience, the cultural context of creative composition and performance and the foundations of aesthetic values. All UNCA students must take 3 hours of approved Arts coursework.

These courses can be found in the ARTS course listings (Arts 310) or located in other departments and identified with the ARTS or CL#A Prefix before the course title.

Questions about the Arts Requirement? Go to the Arts Q&A web page <http://arts.unca.edu/students> or contact the Arts & Ideas Director: Laura Bond at 232-2992 or lbond@unca.edu
